Information
Regarding NUID

NUID is the abbreviation for Nurse Unique Identification Number. When the nurse fills the Nurse Details Form and gets it approved by all the officers, a NUID card will be dispatched.

There are two main ways to register.

a) Individual:

You can logon to the given website http://nrts.indiannursingcouncil.gov.in and fill the nurse registration form and then approach the P.N.R.C for authenticating biometric data and performing certificate verification that can only be done at P.N.R.C.

Or

b) Agency:

You can go to the district camp place directly along with the Nursing academic certificates and experience certificate then the candidates are not required to visit P.N.R.C for authenticating biometric data and performing certificate verification.

Instruction related to NUID

1. This is mandatory for all registered Nurses (ANM, GNM, B.Sc (N) whether they are working or pursuing post Basic B.Sc(N) or M.Sc Nursing. It is also mandatory for nurses working in foreign countries to enrol themselves for NUID.

2. The registered centers will operate at each and every district. Kindly visit P.N.R.C. website time to time for further Schedule.

3. Candidates are requested to register themselves in their district camp, where they are working or studying, instead of moving to other districts camp for registration.

4. Candidates who have already registered online for NUID, they will be called at P.N.R.C shortly.
